

Here's a few ideas for you to explore the theme more at home.

John 12 20-33

John was believed to be the youngest of the disciples and wrote the last of the gospels. Jesus called John and his brother James 'Men of Thunder'!

Question for God

There have been many sad things about the last year, but what has made you smile...?

Try this at home! February 2021

Letting go

Seed Planting time

Have you signed up to our mailing list to get your seeds? Have you already got some seeds to plant? Grab a clean yoghurt pot or other container and stick some compost or soil in it. Put in your seeds, keep it watered (but not too much!), stick it on a sunny windowsill and see what happens.

Windy Day Walk

This month is known for 'March Winds'. Go for a walk and find different objects, sit them on your hand and see how they move in the wind. Think about how cool the wind is – it can 'blow away the cobwebs' and help pollinate plants and dry washing. Maybe you could use this time to ask God to help you if there is something you need to 'let go' or maybe simply thank God for the wind!

To think about...

How have you grown in the last year? Have you gone up a shoe size? (or a belt size – or is that just me during lockdown?!). Have you grown in other ways? Closer to God or somehow further away? What things do you need to let go this coming year? What do you need to nurture and encourage to grow more?
