

## Try this at home! May 2021

### Loving and Giving

---

Here's a few ideas for you to explore the theme more at home.

#### Mark 10:17-27

! The Gospel of Mark was the earliest of the 4 gospels to be written and scholars believe that the gospel of Luke and Matthew used Mark's account on which to base their own.

#### Question for God

Is there anything Mark missed in his Gospel that you wished he'd been able to tell us?

#### [RAY – Refugee Action York](#)

Do you have any old rucksacks or suitcases you can donate? Also, treats and toiletries (not toothpaste). When the refugees move on from the hotel in which they are staying, they often have no bags to put their belongings in, and it's always nice to have some simple treats to show that people are thinking about them. #### [Be a good neighbour](#)

Perhaps you could take a box of treats or a card to someone you know who might be feeling lonely.

#### [Talk about](#)

“Do your little bit of good where you are; it's those little bits of good put together that overwhelm the world.” Desmond Tutu

Do you agree with this? How can we continue to do a 'little bit of good' in each of the places you are: school? Work? Church? The Community?

#### [Disaster Zone – Emergency Exit Simulation Game](#)

This game from Christian Aid can really get you thinking about what it might like to be faced with an emergency situation in which you end up being a refugee. A great game for all the family. You can make the game last for as long or short as you like.
